Re: Sign Ordinance
Section 1.080.010

Please include on the next available City Council's agenda, a discussion to appeal and/or amend the above ordinance,

A-Frame or free standing signs placed on private property are very different than those placed on city sidewalks, where people may be endangered.

The A-Frame sign we placed on the shopping center's property improved our business from the very first day we put it there, and I'm quite sure the city officials would prefer flourishing businesses to empty store fronts.

Thank you for your prompt reply in this matter.

Sincerely,
